The Evening Post.

WILMINGTON, N. C.

Saturday, August 23d, 1873.

'Squire Cassidey's Investigation.

The investigation in the murder trial ended, as our readers are aware, in the committal of Dave, Billy, Jimmie, Elijah and Mrs. Carter to jail, to await their trial at the next term of the Superior Court. Of the guilt of Dave and Jimmie there is but little doubt, as their confessions criminate them. A brief resume of the tangled skein may prove interesting. Willie Carter on that fatal Monday was at his father's house at 1 o'clock, and went off with the boys. At half-past 2, when the Odd Fellows left their lodge room on Water street and marched up Princess to Third and from thence up Third, the boys Dave, Willie and Billy had all been home, and two of them, Dave and Billy, witnessed the procession. The murderers therefore had but little over an hour to go with Willie to the creek, murder him, and return to the city, and they must have walked, going and coming, at least a mile and a half in that time. The *alibi* proved for Billy showed where he was, from about half-past 2 until dark, and a similar attempt for Jimmie, before he made his confession, failed to account for him between half-past 1 and half-past 2 o'clock. To our mind, the only one who accounted for his time thoroughly was the boy Elijah, and but for the persistent criminations the boys who admitted that they were present, there would have been no shadow of a reason for his detention. So much for the boys. In regard to Mrs. Carter, the evidence was simply that it was common talk among the boys that she had offered $10 to any one who would drown him; this and the contradiction of her statement that she had never whipped him but once, when it was shown that the boy Willie had often expressed fear of her, and had shown many and severe bruises on his person which he stated she gave him, and had on one occasion [illegible] with a handkerchief, are the only points against her. These of themselves will not prove of sufficient importance to work a conviction before a jury. The multitudinous lies told by the boy David have forever ruined his reputation for veracity, and on his statements alone she can never be convicted. New points may be developed before the meeting of Court some two months hence, but as the case now stands, we look upon the conviction of Mrs. Carter, the boy Elijah, and possibly Billy, as an impossibility.

A writ of *habeas corpus* will be applied for by Mr. Empie in Mrs. Carter's behalf, and if granted, the matter will be investigated by Judge Russell.

THE Fayetteville *Gazette* calls our pleasantries over his heavy Latin quotations, a "criticism," and orates thusly:

Well, neighbor, it depends upon how a man was raised. We think it is just about "as clear as mud" to you and the large majority of those who read your columns; but our readers understand it, and their wives and children hugely enjoy it and keenly appreciate it. Never mind, neighbor, stick to our articles; they won't appear so hard after a whlle.

We are truly rejoiced that our neighbor circulates among such a classical community, but if only those subscribe who understand Latin, what a small circulation it must have! The POST being of and for the people, don't care to air its Latin, which it can copy from any book of quotations, but which few understand and still less admire.

The New-Berne *Times* says: One night last week, in Martin county, Mr. Joe Webb was hailed by a negro stating that he had a message for him. Mr. Webb went out to the man and suddenly received a blow on the head, which rendered him insensible. The would-be murderer then proceeded to ransack the house, and secured booty to the amount of sixty-five cents. The rascal made off without being identified.

We learn from the Salisbury *Watchman* that a colored girl was killed by the accidental discharge of a pistol, a few days ago, in the Western part of that county. She and another girl were engaged in cleaning up a house, and coming across a pistol, they began to handle and play with it, when it was discharged, with the above result.

The wife of Senator Ransom is in very bad health at the White Sulphur Springs in Catawba county.

CORRESPONDENCE.

From Greensboro'—Nest for "Carpet Baggers"—Dr. Rich'd K. Gregory—Hotels, present and prospective—Personals—State Fair—President Holt.

GREENSBORO', N. C., Aug. 16, 1873.

Greensboro' is becoming the nest for "carpet baggers." Within the past sixty days, ten families have within themselves resolved (at least we hope they have) that Greensboro' is one of, if not the best places to live in, that there is among all the villages, cities and towns in the State.

Dr. R. K. Gregory, a convert from Charlotte-Goldsboro', an eminent physician and surgeon, of long and varied experience, has located here, and went square to business by throwing upon the stage of action one hundred thousand advertisements of his business, in the shape of bills, explaining his readiness to serve the public. Dr. Gregory is, without doubt, a great accession to Greensboro', and may the time come when his eminent abilities, especially in chronic diseases, become so well and favorably known as to enable him to build a hotel here in this beautiful and healthful section, where diseases coming under his charge and care may be treated. The diseases that Dr. Gregory is fully qualified to treat, are very numerous in our State, and heretofore the custom has been to visit Baltimore, Philadelphia and New York, but if in our own State, in a healthy locality, the same equality of professional skill and experience is offered, and where board in respectable and quiet families can be procured at less figures than can be had in the North, what is the use of invalids leaving their native home and firesides for treatment?

My letters herctofore have given you a description of the two elegant hotels that are in running order, and now we are to have a third, on the European plan, to be built and owned by Walter D. McAdoo, and run by the widow Yarboro, so well known to the traveling public. Besides these hotels, we have private boarding houses without number, and every inducement possible Greensboro' possesses to invite invalids as well as sojourners to her.

Captain W. S. Ball, of the *State*, has returned from Niagara Falls, looking hale and hearty. Col. John A. Gilmer is back from Piedmont, with his placid smile. He will continue to "smile upon his helpless children." Col. Keogh has gone away for ten days. Judge Settle is hobnobbing at Saratoga. W. S. Moore, one of the merchant princes, is relying upon Rockbridge and communications to the *Patriot* to revive him for the fall and winter campaign. Mr. "McDuffy" is still "wandering." John N. Staples will not return from the Greenbrier White until he assumes the character of "the knight of the blonde wig" at the fancy dress ball. John B. Gretter has gone to Augusta, dealing out, not faro, but handbills of advertisements for the new all-rail route Pennsylvania Central Railroad. Major Chas. M. Steadman spent Wednesday in town with Dr. Benbow. Marsden Bellamy, Esq., passed down from Salem, and Mr. Tom Purnell went up last Thursday.

We are going to have a grand State Fair at Raleigh this Fall, and, as it is a State matter, I have thought it proper to send you a brief sketch in reference to the approaching Fair, and the principal personage in its management.

The present President and Chief Executive officer of the State Agricultural Society, of North Carolina is

THOS. M. HOLT, ESQ.

Situated on the Haw river, in the famous county of Alamance, is the cotton factory and flouring mills of Holt & Moore, the most flourishing, profitable and enterprising establishment of the kind in North Carolina. The principle director and owner of this valuable property is Thomas M. Holt, a man, none the less remarkable for his reticence and retiring disposition from an outward sense and view, than for his vigorous and energetic business qualifications. Mr. Holt is one of the men of the times, and fully equal to the "demand of the hour." A self-made man, and no one person in the State enjoys a greater portion of the confidence of the people than he, especially from a business point of view. Last year when the Hon. Wm. A. Smith resigned the Presidency of the North Carolina railroad, the Company and Directors, at their first meeting, unanimously elected Mr. Holt to fill the vacaney. A majority of the directory were of a different political school from Mr. Holt, but discarding all political feeling, as they did, and, notwithstanding Mr. Holt's democratic proclivities, he was unanimously elected. His entire fitness for the position, his general reputation and known business qualities mark him as the man for the responsible position. Since his election the road has, as it did under his predecessor, enjoyed good fortune, and is destined for much in the future. As President of the road he gives the stockholders and the general public entire satisfaction, and in return he has been re-elected to the same position without the least murmur of opposition. But Mr. Holt is not only interested in manufacturing and railroad matters.—Agriculture comes in for a large share of his time, labor and effort.

Last year the Fair of the State Agricultural Society, at Raleigh, resulted in being a grand and snblime failure, and such was the disgust of the managers, and the patrons as well, that it was generally resolved, that an improvement must be made, or the next fair should be the last one under their auspices. Among the many plans and propositions submitted to insure success was, that Thomas M. Holt be elected President of the State Association, and he was elected without the slightest opposition, and no sooner had he been elected than did operations begin for "reconstructing." The old excuse, one mile from Raleigh, called the "State Fair Grounds" (a very poor and lame excuse) was dismantled and a handsome location, within three miles of the city, on the N. C. R. R. purchased. But little would have been done to give the State a first-class fair ground and exhibition had not Mr. Holt been elected Chief Executive Officer, and had he not allowed his name to go on the back of paper to raise the necessary advancements. Next season North Carolina will be able to boast of a Fair that will stand a comparison with the Fairs of our leading States North, and all will be due to the pluck, energy, and liberal business disposition of Thomas M. Holt, and his faithful Secretary, Capt. R. T. Fulghum. Mr. Holt don't meddle with politics; he confines himself strictly to business. Of large wealth—inherited and self-earned—fond of labor, a student in what is for the good of all—especially those who labor for him or the great corporation that he is at the head of—none the less than a go-ahead man, and probably he has shown as much zeal and enterprize, from a commercial point of view, as any man in the country. Certain it is that no one is doing more to practically develop the resources of his State than he. His mills at Haw River are monuments of industry and indefatigable labor and enterprize. The Fair Grounds at Raleigh are evidences of his liberality, thrift and general interest in the welfare of the old commonwealth. His election twice as President of the North Carolina Railroad, is a testimonial from the owners of that corporation that his remarkable common sense administrative powers and abilities, his honesty and integrity are duly appreciated by an enlightened people, who are not insensible to the importance of having the proper men in the proper place. PIEDMONT.

The windows and doors were tried by the watchman and found to be securely bolted.

TO THE WEST! TO THE WEST!

Before making your arrangements to follow the advice of the "thousands who have already gone," it would be well to consider what has been done to make the journey to your "Homes in the West" as pleasant and free from danger as human skill and foresight can accomplish.

By consolidation and construction, a road has been put into operation on the shortest possible line from Nashville, Tenn., to St. Louis, "the future great City of the world." This line, the

ST. LOUIS & SOUTHEASTERN RAILWAY,

has, during the past year, earned an enviable reputation by its smooth track, prompt time, sure connections, and the magnificence of its passenger equipment. Its trains are made up of new and commodious day cars, provided with the celebrated Miller coupler and platform, and the Westinghouse air-brake.

It is possitively the only line running Pullman Palace Drawing-Room Sleeping Cars through without change from Nashville to St. Louis. No other line pretends to offer such advantages, either in distance, time, or equipment. Why, then, journey by circuitous routes? Do not be induced to purchase tickets to St. Louis or the West by any other line, remember that

The "St. Louis & Southeastern" is the shortest, cheapest, quickest, best and only line under one management from Nashville to St. Louis, and is from 60 to 200 miles the shortest to St. Louis, Kansas City, Omaha, Denver, California, Texas, and all western points. It is also the "Chicago Shortest Line," via Evansville.

You can secure the cheapest rates for yourselves and your movables on application, in person or by letter, to CHARLES MCCABE, Southern Passenger Agent, near College street Depot, Nashville, Tenn., or to the undersigned.

W B DAVENPORT, General Ticket Agent, St. Louis.

No trouble to answer questions.

THE EVENING POST.

J. C. MANN,

EDITOR & PROPRIETOR.

Published every evening, except Sunday, at

Five Dollars per Annum.

The POST is designed to reach all classes of citizens, and its subscription price is therefore placed so low as to be within the reach of all. It contains the

LATEST NEWS,

up to the time of going to press,

TELEGRAPHIC,
BY MAIL,
COMMERCIAL
AND LOCAL.

It should be in the hands of every man who desires to know what has transpired during the day, and, as it aims to give

RELIABLE INTELLIGENCE,

its publisher hopes it will prove a welcome guest in many families.

THE POST

is sprightly without being sensational, and it carefully excludes all objectionable incidents and reports calculated to offend the sensibilities of the most fastidious. As an

Advertising Medium

it claims to be first class. It has a good and constantly increasing circulation, and is read by almost every business man in the city. Politically the POST is

UNSWERVINGLY REPUBLICAN.

Its editor having been a consistent member of that party since 1855, through its vicissitudes and triumphs, he claims to speak advisedly when advocating its principles. He is not, however an "extremist," and accords to others what he claims for himself, the right of free thought and of free speech.

THE ADVERTISING RATES of the POST, like its subscription price, are at liberal and at living prices, as an examination of them will show, and it bespeaks a share of public patronage.

THE EVENING POST

is closely identified with the local welfare of the Cape Fear region, and the believers in progress, whether

EDUCATIONAL,
AGRICULTURAL,
MECHANICAL, or
COMMERCIAL,

will find an enthusiastic ally in THE POST.

THE POST

is opposed to monopolies, but in favor of internal improvements, and a firm believer in the patronage and support of home enterprises and institutions.

AS A FAMILY PAPER,

The TIMES will have no superior; it will be free from all appeals to vulgar and impure tastes, and may be safely admitted to every domestic circle.

AS A REPUBLICAN JOURNAL,

The TIMES will be devoted, as in the past, to an intelligent and firm support of the Republican Party. Its course in reference to the Tammany Ring, at a time when all the other daily papers in New York obstructed and discouraged its efforts, attests its sincerity in the cause of Reform. The TIMES stood alone in demanding Reform from 1869 to the close of 1871, and there is no sincere and honest proposal for Reform, in any branch of the Government, which will not be heartily supported by the TIMES. But it will not conspire in assisting ambitious politicians or demagogues to reach power under false pretenses. It will not encourage defection from the Republican Party, which is still the party of progress, security and national prosperity.

It will sustain, with all the force and influence at its command, the principles and policy which have rendered that party so justly famous in our history. It will advocate those measures by which the honor, the peace, and the prosperity of the nation can be best secured and promoted, and will constantly study the wants of the people rather than the wishes of the politicians.

THE NEW YORK SEMI-WEEKLY TIMES

Is published every Tuesday and Friday, and contains all the agricultural and literary matter of the Weekly edition, and a full and careful compilation of editorial and news features of the Daily.

Terms of the Semi-Weekly TIMES: One copy, one year, $3; two copies, one year, $5; ten copies, one year, $25—and one extra copy free.

We especially call the attention to the following testimonials of the Paint:

C. P. Knight, Esq.—Dear Sir: I have used Bradley's Patent Enamel Paint on my dwelling last Spring, and am much pleased with it, and it looks as well now as when first painted, and consider it a good Paint. Yours, truly,
Creswell P. O., Hartford county, Md., Feb. 6th, 1873. A. H. STRASBAUGH.

THE PLAINS, FAUQUIER CO., VA., Feb. 6th, 1873.

Mr. C. P. Knight—Sir: The Paint came safely to hand as ordered—two kegs, five gallons each, and three buckets, one gallon each. As practice was slack, I did the job myself. Two weeks, (not constant work,) completed the house two coats. The last coat I applied thick, and it is now generally conceded that for enamel-like hardness, and body, and harmony of colors, there is not a handsomer job in the place. I saved sixty-five dollars by the operation, which is an item just now with Southern people. It should be generally adopted in this State. Any country lad can apply it. I have never dabbled in such stock as testimonials, but I feel so forcibly the great adaptability of your "Enamel Paint" to the wants of our people, in excellency of material, in beauty of color, and in the fact of its being "ready mixed" that I give you free permission, (if it is desirable to you,) to make what use you think proper of this letter.
Very respectfully and truly, S. McGILL, M. D.

TO THE PUBLIC—It affords me much pleasure to state that in July, 1871, Front Street Theatre was painted inside and out with "Bradley's Patent Enamel Paint," for which C. P. Knight, No. 93 West Lombard Street, is agent, and, to testify to its superiority over any and all other paints for similar uses. In no private dwelling can paint possibly be subjected to the very severe test it undergoes at this establishment, where, during our daily cleaning, soap and soda are constantly applied to it, and yet it appears as sound and fresh as when put on. Of the numerous advantages it possesses over other paints, I will only mention its being mixed and ready for use in quantities to suit purchasers, its quickly drying properties, which saves much time in the execution of work were paint is needed, and its very perceptible tenacity, which imparts beauty and durability to the objects on which it is used. As such I most earnestly recommend it to the merchants and tradesmen of our city, believing it will give them greater satisfaction than they can possibly anticipate.
WM. E. SINN,

BALTIMORE, April 25, 1873. Front Street Theatre.

CHAMBERSBURG, December 10th, 1872.

Mr. C. P. Knight—Dear Sir:—The paints we received from you have been applied to several of our own buildings and to those of our friends, and have given entire satisfaction in covering qualities, in gloss, and in adaptability to all kinds of surface of material and we cheerfully recommend it, especially to that class of consumers who have to depend upon unknown parties, or painters to mix and furnish materials, wherein we have found the most deception.
Yours, truly,
JACOB STOUFFER & SON.

FROM HON. JOHN WETHERED.

Mr. C. P. Knight:—At the recommendation of a friend, I was induced to apply your patent "Bradley's" paint to my house. I have pleasure in stating that it has proved highly satisfactory, covering more surface than you promised, is more economical, carries better gloss than ordinary paint, and is freer from disagreeable odor.
Yours, Respectfully, JOHN WETHERED.

BALTIMORE, December 27th, 1871.

C. P. Knight, Esq., Agent for Bradley's Patent Enamel Paint—Dear Sir:—The paint we purchased from you we will cheefully endorse as the best of any kind we have ever used; its covering qualities is everything desired, drying promptly and with a hard gloss which must, we think, resist the action of all kinds of weather. This is our experience, and we can recommend it with certainty, and intend to use it on all occasions where we desire a goed job of work.
Very Respectfully, EMART & QUARTLEY, 270 W. Baltimore St. House, Sign and Frescoe Painters.

PLEASANTVILLE, HARTFORD CO., MD.

Mr. C. P. Knight—Dear Sir:—I am very happy to inform you that your "Patent Enamel Paint" has given entire satisfaction. I prefer it to any paint I have ever seen used, and recommend it for durability and beauty as paramount to any other.
Very Respetfully, R. DICKEY, M. D.

NOTICES OF THE PRESS.

The ever-increasing circulation of this excellent monthly, proves its continued adaptation to popular desires and needs.—Indeed, when we think into how many homes it penetrates every month, we must consider it as one of the educators as well as entertainers of the public mind, for its vast popularity has been won by no appeal to stupid prejudices or depraved tastes.—*Boston Globe.*

The character which this Magazine possesses for variety, enterprise, artistic wealth, and literary culture that has kept pace with, if it has not led the times, should cause its conductors to regard it with justifiable complacency. It also entitles them to a great claim upon the public gratitude. The Magazine has done good and not evil all the days of its life.—*Brooklyn Eagle.*
